## Fight Will Be Bitter.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall, of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after every thing else had failed. Improvement came at once and four bottles entirely cured her." Guaranteed by Oberdorfer, the druggist. Price 50c and \$1.00. Trial bottles free.

**TEETH CUTTING FAMILY.**—Sixty-year-old Miss Maria Williamson, of Owingsville, is attracting much attention because of a third set of teeth she is cutting. Two teeth have already made their appearance. She lost her second set of teeth several years ago and has since used false ones. Recently on adjusting her plate she found that the new teeth interfered with the plate. Her grandfather, who died many years ago, cut a third set of teeth after he had passed his 60th year, and it is said other members of the family had similar experiences.

**THE KENTUCKY CHAUTAUQUA.**—The eighteenth annual session of the Kentucky Chautauqua will be held at its old home at Woodland Park, Lexington, June 28 to July 8, both dates inclusive. The program, fully up to the high standard of past years, has been prepared by Dr. W. L. Davidson, the Superintendent of Instruction, who, during the last ten years, has so endeared himself to the patrons of the Chautauqua. His large Chautauqua experience and his wide acquaintance with platform celebrities the country over, gives him rare opportunity to get the best in every line. The program for the present year will be superior in many respects to anything which has been recently offered. It is certain to insure a very large attendance and awaken unbounded enthusiasm.

## LIVE STOCK, CROP, ETC.

—Fat hogs are selling at \$4.80 per hundred.

—Talbot Bros. Shawana beat the great race mare Witful, at Chicago, Wednesday.

—Wheat is looking well. Present prospects indicate more than an average crop.

—Smith & Piper, of Hutchison, sold a bunch of stock hogs for \$3.85 per hundred.

—Wood Clay has decided to ship his string to Harlem, excepting Outcome, who will be left at Latonia to run in the Oaks.

—"Bull" Woods, of Hutchison, sold to Lexington parties 21 fat lambs for 6 cents, delivered last week. They averaged 94½ pounds.

—Some fields of corn look promising; others have suffered from cut worms. These pests have also damaged some of the growing hemp.

—The nice rains of last few days have proved of great benefit to growing crops. They furnished a good tobacco season and many plants were set out.

—In real estate transfers at Lexington, we notice that Margaret Ann Thomas, of Paris, Ky., sold to Bis'op Clay a lot on Corral street, Lexington, for \$325.

—H. N. Rankin, of Carlisle, was here yesterday and reported the following purchases of mule colts in Bourbon, Wednesday: Two from Z. T. Piper, \$65 and \$85; one from Chas. Stevens, \$85; one from Thos. Higgins, \$100; one from Will Richardson, \$85; one from John Donnell, \$100. He is paying top prices for all he can find.

UNDER instruction from the constituted party authorities, the Democrats of Kentucky are on the 4th of June to delegates to attend a State Convention called to assemble in Louisville the following 8th of June. The immediate purpose of the State Convention is the naming of delegation to the National Democratic Convention to be held in St. Louis the 6th of July, and to choose an electoral ticket for Kentucky in the approaching Presidential election. Incidentally, the State Committee is to be reorganized and provision to be made for the campaign.

All this, considered from the party standpoint, is important business. It ought to be transacted with a wholesomeness to effect the greatest number of Democrats. Friction, more or less, of some sort can rarely be eliminated from such occasions; but there should be on the scene enough of the candid and the disinterested to keep the bellicose in bounds and to force the fools to go away back and sit down.

## Revolution Imminent.

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by Oberdorfer, the druggist.

## What MITCHELL Says

I want the people who read this paper to know that I sure have the best eating candy in Paris.

The chocolates I sell you for 40 cents per pound cannot be any better.

If you pay 60 or 80 cents you are paying for the fancy packing, of course I have candy we sell for 60 cents per pound and it is strictly fancy and fine, but I want to have every lover of good candy to try my 40 cent creams, always strictly fresh.

Don't forget to send me your orders for the only genuine Blue Lick Water. I am the wholesale agent for the Springs Co. and can furnish it fresh at all times.

Yours truly,

C. B. MITCHELL.
